## Professional Summary

A passionate and detail-oriented **Full Stack Web Developer** with a solid foundation in **MERN** (MongoDB, Express.js, React.js, Node.js) and **Next.js**. Though a fresher, I have gained hands-on experience through internships, where I worked on developing scalable web applications, optimizing performance, and implementing responsive designs. Adept at both front-end and back-end development, I have a strong understanding of **RESTful APIs**, **database management**, and **UI/UX principles**. I am committed to continuous learning and excited to contribute my skills to impactful web development projects.

## Experience

### Softdev Solution
